

Clicker Course Booking

Numbers are limited on the course and places will be reserved upon receipt of a £50 deposit paid by Paypal to paypal@oakfield-icelandics.co.uk. In event of cancellation this deposit can only be refunded if I am able to fill the place that has been cancelled.

The cost of the course without a horse is £250 and £300 for ridden places.

These prices include lunch at Oakfield each day. We will be going out to the pub to eat in the evenings or getting a takeaway and this is not included.

The course is orientated towards teaching people how to train horses and you will spend a lot of time practising on each other to hone your timing and rope handling skills. This means that the people with the "non-ridden" places are not just observers, they are full participants though they don't get their horse worked. You get a lot out of the course though without bringing your horse.

There is room for 6 horses on the course which are all reserved subject to deposits being paid (you know who you are). Priority in horse places was given to those who have been on courses at Oakfield before. Numbers will be limited to 14 on this course (6 ridden places and 8 dismounted places). Dismounted places are open to anyone regardless of previous experience however, if you have been exposed to Alex's work before, you will get a lot more out of this course and we are happy to help you get started beforehand at Oakfield.

The horse price includes turnout, there will be grazing if we have any and hay included if we don't.

If you do not have one of the "horse places" on the course but want to bring your horse to practice with in the evenings after the day's tuition has finished this is possible, please indicate below if you wish to do this so I know how many horses to provide accommodation for. There will be a nominal price of £10 per horse for grazing/hay if they are visiting but not being used on the course.

I have worked with Alexandra without my horse and got as much out of it as if I had had a horse on the course, part of the benefit of the structure of the course is that you get to see the responses of different horses to the work and learn the different approaches that may be necessary for each type of horse.

If you want to do the course please drop me an e-mail as soon as possible or phone 07802 603922 to reserve your place and send the deposit via Paypal and then complete this form and return it to me as soon as possible. It will be first come first served and your place will be reserved for 2 weeks upon the receipt of an e-mail and then held upon the receipt of a deposit. I am initially sending this mail drop to people that attended last year's courses or have already indicated interest and will publicise it more widely after you have had a chance to reserve places if you want them.

Please return the form to Nick Foot, Oakfield Farm, Horton Way, Verwood, BH31 6JJ.
